THE GAS PLANT.

What the Company Has Done and What it HAS Got to Do.

S. C. Constant, of Peru, Indiana, who is extensively interested in the Indians by siding the public-spirited men who have unselfishly undertaken the fight. Subscriptions in any amount may be sent to The appears that the agents of the different railroads have been running after the contractors and have been offering them any kind of rate that will shift the home coment factory out of the competition. This is one of the old tricks that has the spencer chaven been contractors and have been enterprised by the first of the surface. W. W. Riber. 100 can be sufficient one of the competition. This is one of the old tricks that has the spencer chaven been sufficient one of the competition. This is one of the old tricks that has been enterprised and the railroads insist on making a cut where it will tripple and refuse to grant any constitution. A Samth. 500 can be sufficiently will tripple and refuse to grant any constitutions. This can be sufficiently and the railroads insist on making a cut where it will tripple and refuse to grant any constitutions. The constitution of the geolog lead formation of this portion of the territory, he believes that they will strike the was riding on a hand tripple and tricks that has been called the will shift the home coment tractors and have been offering them any to tractors and have been offering them any to the competition. This is one of the competition. This is one of the competition. This is one of the old tricks that has been called the was riding on a hand tripple and tricks that has been called the was riding on a hand tripple and tricks. Should gas be discovered here in sufficient to rock—which is the gas-bearing to content to result in the half by the tracks that the agents of the different railroads insist on making a cut white he was riding on a hand tripple to this color. This city, he products the tripple and tripple and refuse to grant any constitution of the geolog lead formation of the geolog lead format covered. He feels positive that

Colonel Dennellan said that from 12,000
14,000 barrels of cement would be needed and that the home factory was anxious to fill the order, but that he learned that the railroads had offered the contractors a rate that would shut out the home plant as a competitor.

This statement brought forth the following resolution:

"Bave Leased The Ground. Natural Gas company of this city, to a Herado reporter said: "We have got a lease on the country about Centreville for fifty years and have about everything about Farmington that we want. The chances are that we will commence drilling in about ten days. We are now waiting for the cusing, and as soon as that comes we will start. This statement brought forth the fallowing resolution:

"Resolved, That it is the sense of this board, repeatedly expressed, that it is the duty of the city and local authorides to uttize native products in all public works to uttize native products will meet the proper requirements."

In accordance with a resolution passed by the transportation bureau February 10, the chairman appointed the following named gentlemen as the executive committee of the transportation bureau: Messrs, G. F. Culmer, G. A. Lowe, W. H. Remington and the chairman, who, by the original resolution, was muce ex-officio chairman of this committee.

Heber M. Wells, E. B. Wicks and C. P.

The Verdict Against the Union Pacific Yesterday.

EX-JUDGE ALLEN APPEARS

He Claims His Absence was Unavoidable and the Forfeiture of His Bonds was

Set Aside.

Frank Morris and Walter Stoors, charged with grand laveny, were next arraigned. The indictment alleged that on February 27 tast the defendants stole from James Waish a gold watch valued at \$45. A pier of not guilty was entered. PREE COUNSEL.

Clayton's name to a cheek, was arraigned, and Mr. Pattison was appointed to defend. TO APPEAR POR ARRAIGNMENT. In the case of John R. Howard and Eliza

Everett, charged with adultery, the defend-ants were ordered to appear for arraignment on Saturday ALLEN APPEARS.

At this point W. J. Allen, the elleged bal-lot box stuffer, whose failure to appear when his case was called recently, resulted bonds being deciared forfeited, walked and said that when the forfeiture was made, it was understood that should the de-fendant appear during the term and show good reasons for his absence, the forfeiture would be set aside. The facts had been explained to the prosecution, and there was as no objection to the ferresture being set aside and the case set for trial.

Mr. Critchiow stated that the absence of the defendent seemed to have been excusable, and he would not object to the motion, which was allowed.

Two Young Bloods in Jail On Charges That Will Shock Good Society.

There was a lively little racket in the Saddle Rock restaurant at an early hour

this morning. Two young bloods went in for a late supper, or an early breakfast, and ordered such viands as suited them.

When it came to a show down, the

couple did not have enough cash between them to liquidate, and a wrangle between them and the waiter followed. A row seemed imminent, when the waiter agreed to take a I. O. U. for the amount. After some demurring this was accepted, and all seemed serene. Just as the bloods

Northern Railway company was opened in the Third district court yesterday morning. It was in favor of the plaintiff, and assessed his damages at \$4,000. The plaintiff and assessed his damages at \$4,000. The plaintiff and assessed his damages at \$4,000. The plaintiff and the great while he was riding on a hand car of the defendant company.

MATTIE IS A TOUGH.

Mattie Miller, the dusky Commercial street nymph, who, with her husband, has been enticing men to a den kept by her on Commercial street and robbing them, was arranged on the charge of grand incomp.

The laddinger, company was opened in payment for the eventual pounds of flosh devoured, and they intimated in quite strong language that his hair was not only red, but that his mater inty was also a matter that good society might well investigate, adding to this several flourishes that were more forcible than politic. This aroused the waiter's tree and he called in Nightwatchman Dobson and Patrolman Birker, who were near, and the bloods were run in on the charge of profanity and obtaining meals and refusing to pay for the same. They gave the his hair was not only red, but that his mater in type was also a matter that good society might well investigate, adding to this several flourishes that were more forcible than politic. This aroused the waiter's tree and he called in Nightwatchman Dobson and Patrolman Birker, who were near, and the bloods were run in on the charge of profanity and obtaining meals and refusing to pay for the same. They are not only red, but that his matter that good society might was also a matter that good society might was also a matter that good society might was not only red, but that his matter in quite strong language that his hair was not only red, but that his matter int was not only red, but that his matter int was so an arter that good society might was also a matter that good society might was also a matte time being.
